Pedagogy Forum

Chairman: Carmela Couvillon

Piano Pedagogy Forum is in full swing. We had a great session on The Music Development Program with guest Veronika Harms in September. All teachers who attended received a repertoire syllabus book and theory requirements book. Thank you to Frederick Harris Music for these wonderful resources. Thank you to Carol Crisp for hosting!

In October, we had an inspiring session with Matthew Kline on Dalcroze Eurhythmics and solfege. Matthew will be returning in January to expand on the solfege idea and allow participants to work on improvisation hands on. Special thanks to Collora Piano who provided yummy muffins and coffee from Corner Bakery.

Hammer reshaping and voicing, deep cleaning, tuning - President FMTA

The Steinway 'D' is truly magnificent! The regulated action is lighter and the voicing and hammer shaping he did have expanded the coloristic range of which the piano is capable. Alex has taken it to a level better than when we first chose it.

Alex saved my day or should I say 'recital'. My poorly tuned piano had just been tuned less than two weeks prior to today. It truly sounds like a different piano! I asked Alex to be my permanent technician
