

DMTA Today

January/February 2018

From the President

It's here! Another new year. Another time to renew, refresh and resolve to strengthen or make changes in our lives. It is a time to realize that we have a chance to make history! 2018 has yet to be written and it will bring many opportunities. I am reminded of Benjamin Franklin who said, "Be at war with your vices, at peace with your neighbors and let every new year find you a better man." In this new year, as you make your choices, I hope you give your loved ones a tighter hug, strive to see the best in people and choose JOY!

Ensemble75 Concerto Competition

Since its inception, Ensemble75 has provided seven seasons of concerts to the DFW Metroplex, each consisting of innovative programming performed by some of the world's most promising musicians. Performers featured on Ensemble75's concerts have gone on to study at music schools such as the New England Conservatory and Juilliard, as well as obtaining posts in some of the important institutions around the world, such as the Dallas Symphony Orchestra, the Hong Kong Philharmonic, and the Berlin Philharmonic.

Following the standards of innovation and quality of performance established during our tenure, Ensemble75's concerto competition seeks to promote some of the region's premier pre-college musical artists and to present them with a competition opportunity that reflects the experience of the elite international competitions offered to professional musicians. The Cézanne Quartet (Peak Fellowship Ensemble-in-Residence at SMU Meadows School of the Arts 2015-2017) will accompany six finalists in a live concert setting, in front of a competition jury consisting of musicians who have distinguished themselves in their field.

Competition is open to applicants who have not reached their 19th birthday on or before March 1st, 2018.

Repertoire list includes many works by Vivaldi, Bach, Haydn, Mozart, Beethoven, Chopin, and more. Additions to the Ensemble75 Concerto Competition repertoire list will be made if the applicant can provide proof (score, parts, etc.) that the piece can be performed with a string quartet accompaniment.

For more information, complete repertoire list, and application, please visit:

FOR IMMEDIATE RELEASE

CATHEDRAL ARTS PRESENTS CLIBURN TOP FINALIST FEI-FEI DONG

Inaugural Event of new Distinguished Artists Recitals

Dallas, Texas, October 28, 2017 – St. Matthew's Cathedral Arts proudly launches its new Distinguished Artists Recitals on Friday, February 2, 2018 at 7:30 pm in the Great Hall, with a performance by pianist **Fei-Fei Dong**, winner of the 2014 **Concert Artists Guild Competition** and a top finalist at the **14th Van Cliburn International Piano Competition**.

In preparing for this inaugural event, H. Michie Akin, Artistic Director of Cathedral Arts, writes, "Cathedral Arts is expanding and improving the quality of its musical offerings. The recent acquisition of a magnificent Schimmel concert grand piano increases options for hosting solo piano concerts, vocal and instrumental recitals, chamber music events, and even some fine jazz evenings. The remarkable pianist Fei-Fei Dong will usher in a new era of music at Cathedral Arts, and we are honored and excited to present this very special event."

Born in Shenzhen, China, Fei-Fei began piano lessons at the age of 5. She moved to New York to study at The Juilliard School, where she earned her Bachelor and Master of Music degrees under the guidance of Yoheved Kaplinsky. Deeply committed to sharing her joy for music and connecting with communities, Fei-Fei also engages students and community audiences through frequent school and outreach concerts and master classes. Praised for her "bountiful gifts and passionate immersion into the music she touches" (*The Plain Dealer*), Fei-Fei Dong continues to build a reputation for her poetic interpretations, charming audiences with her "passion, piquancy and tenderness" and "winning stage presence" (*Dallas Morning News*). Fei-Fei Dong is represented by **Concert Artists Guild, New York**. Admission and parking are free, and donations are welcomed. A reception for the artist follows immediately in the Justus Sundermann Gallery.

As a center for the arts in Old East Dallas, St. Matthew's Cathedral Arts revives an ancient tradition of cathedral churches in proclaiming the presence of God through the beauty of human creativity, bringing vitality to St. Matthew's Cathedral, our neighborhood and greater Dallas.

###

Cathedral Arts events take place at historic St. Matthew's Episcopal Cathedral, 5100 Ross Avenue, Dallas. For more information about this event, please contact H. Michie Akin at 214.887.6552 or email at makin@cathedralartsdallas.org.

FAZIOLI

When Only The Best Will Do

“ The Fazioli is teaching me new ways of creating music at the piano. ”

The relationship between the pianist and piano is a highly personal, subjective one. In ideal circumstances, it's a love affair that deepens over time. With my new Fazioli, it truly was love at first sight, or should I say, touch. Over the last few months, my relationship with this fabulous instrument has only deepened. It is definitely a two-way relationship. The Fazioli is teaching me new ways of creating music at the piano. It does exactly what you ask, nothing more, nothing less, which

requires a more precise kind of playing and thinking. It's almost like starting over, even with pieces I've played for most of my life. The sound is beautiful, clear, and warm. I feel like I have only begun to realize its full capabilities, and I look forward to a long, happy relationship with this amazing instrument. I consider it to be one of the finest instruments I have played anywhere, and I feel extremely fortunate to be able to spend time with it regularly, both as a player and listener.

Thank you so much for the wonderful job you did to my piano – it is better than a new instrument!

Dr. Camacho – **Dean MSU**

The piano sounds wonderful! The touch also feels much better. I love it!!

Hammer reshaping and voicing, deep cleaning, and tuning – Past President **FMTA**

The Steinway 'D' is truly magnificent! The regulated action is lighter and the voicing and hammer shaping he did have expanded the coloristic range of which the piano is capable. Alex has taken it to a level better than when we first chose it.

Regulation, hammer reshaping, voicing, deep cleaning, tuning to primary Steinway D grand - **Distinguished Chair of Piano MSU**

...The pianos sound great...we all thank you!...
