From the President

Greetings Friends!

We are in the Home Stretch for this school year! There are still some events for you and your students to take advantage of, as well as some wonderful programs at our meetings that will challenge your thinking and feed your soul.

TMTA Convention 2017 will be releasing information soon. If you have not taken advantage of the largest MTA State Convention in our nation, please plan to do so this summer! Stimulating performances, workshops and showcases are sure to make us all better teachers as we seek to inspire our students. Since it is in Dallas this year, we can attend without travel expenses.

"Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young. The greatest thing in life is to keep your mind young."

CHAMBER MUSIC INITIATIVE: LET'S JOIN FORCES!

I would like to invite you all to join me in an effort to launch a Chamber Music initiative: "We Play Better Together: The Pianist as the Consummate Musical Partner". My goal is to connect my students with instrumental and vocal students of other studios and include chamber music repertoire as well as art song of any style in our curriculum. The idea is that the teachers of collaborating studios, instrumental and vocal alike will coach ensembles through the year. There will be at least one culminating public performance of the pieces prepared by our formed ensembles. Additionally, there are some excellent performance opportunities and competitions for those accomplished groups that would like to take the experience even further!

Would you be interested in bringing more Chamber Music and Song repertoire training and performance opportunities to your students? Your feedback, insight, input and collaboration are greatly appreciated!!! I look forward to hearing from you!!

Music by Bach, Brahms, Tchaikovsky and Medtner.
French soloist and conductor Jean Ferrandis enjoys an international career that takes him throughout Europe, Asia and North America. He has presented recitals, performed chamber music and appeared as a soloist with orchestras in venues such as the Salle Pleyel and Théâtre des Champs Elysées, Paris; Alice Tully Hall—Lincoln Center, New York; Telpel Arts Center, Taiwan; Wigmore Hall, London; Teatro La Fenice, Venice; Hamarikyu Asahi Hall, Tokyo; and many more. He has performed under conductors such as Leonard Bernstein, Tibor Varga, Laurent Petitgirard and Yoram David. His appearance at the 2006 National Flute Association convention in Pittsburgh, an event attended by 3,000 flutists, included a gala headliner concert in Heinz Hall and a master class.

In addition, Ferrandis serves as professor at the École Normale Supérieure in Paris and at California State University, Fullerton. He regularly presents master classes in Japan, Europe, Australia, Taiwan, Korea, South Africa and the U.S. As a conductor, Ferrandis leads the St. Petersburg Camerata in Russia and the Saint Christopher Chamber Orchestra in Vilnius, Lithuania, with which he has recorded Bach flute concertos. Ferrandis unanimously received first prize from the Lyon Conservatoire, where he studied with Maxence Larrieu. A prizewinner in international competitions such as Munich, María Canals in Barcelona and Young Concert Artists in New York, he was awarded the grand prize at the 1986 Prague Spring Festival International Flute Competition. Leonard Bernstein was so impressed by his performance of the adagio from Mozart’s D major concerto that he remarked, “It is Pan himself!” and subsequently composed a cadenza for Ferrandis.

Tuning & regulation - concert pianist Alessio Bax
Thank you so much for the wonderful job you did to my piano – it is better than a new instrument!
Dr. Camacho – Dean MSU

The piano sounds wonderful! The touch also feels much better. I love it!!
Hammer reshaping and voicing, deep cleaning, and tuning - Current President FMTA

The Steinway ‘D’ is truly magnificent! The regulated action is lighter and the voicing and hammer shaping he did have expanded the coloristic range of which the piano is capable. Alex has taken it to a level better than when we first chose it.
Regulation, hammer reshaping, voicing, deep cleaning, tuning to primary Steinway D grand - Distinguished Chair of Piano MSU

I was amazed by how much Mr. Smith cared about bringing my piano to its best potential. Not only was he knowledgeable, he was very professional. Thank you!
