

DMTA Today

May/June 2018

From the President

Greetings, colleagues!

It is with quite mixed emotions that I am writing my last column in this capacity. It has been my pleasure and a great honor to serve DMTA as your President for the last four years. I have had the most amazing Board and am very proud of the work we have done during this time. These dedicated teachers give of their time, efforts and wisdom to go about the workings of DMTA, providing events, opportunities and effecting DMTA business at a highly professional level. They are awesome! If you ever get the chance to serve on the DMTA Board, please take it! You will make lifetime friendships and help further the cause of music for our students and teachers.

Thank you for the opportunity to serve!

Lois Landrum, DMTA President

Ensemble75 Concerto Competition

Since its inception, Ensemble75 has provided seven seasons of concerts to the DFW Metroplex, each consisting of innovative programming performed by some of the world's most promising musicians. Performers featured on Ensemble75's concerts have gone on to study at music schools such as the New England Conservatory and Juilliard, as well as obtaining posts in some of the important institutions around the world, such as the Dallas Symphony Orchestra, the Hong Kong Philharmonic, and the Berlin Philharmonic.

Following the standards of innovation and quality of performance established during our tenure, Ensemble75's concerto competition seeks to promote some of the region's premier pre-college musical artists and to present them with a competition opportunity that reflects the experience of the elite international competitions offered to professional musicians. The Cézanne Quartet (Peak Fellowship Ensemble-in-Residence at SMU Meadows School of the Arts 2015-2017) will accompany six finalists in a live concert setting, in front of a competition jury consisting of musicians who have distinguished themselves in their field.

Competition is open to applicants who have not reached their 19th birthday on or before March 1st, 2018.

Repertoire list includes many works by Vivaldi, Bach, Haydn, Mozart, Beethoven, Chopin, and more. Additions to the Ensemble75 Concerto Competition repertoire list will be made if the applicant can provide proof (score, parts, etc.) that the piece can be performed with a string quartet accompaniment.

For more information, complete repertoire list, and application, please visit:
<http://ensemble75.com/competition.php>.

FAZIOLI

When Only The Best Will Do

"The Fazioli is teaching me new ways of creating music at the piano."

The relationship between the pianist and piano is a highly personal, subjective one. In ideal circumstances, it's a love affair that deepens over time. With my new Fazioli, it truly was love at first sight, or should I say, touch. Over the last few months, my relationship with this fabulous instrument has only deepened. It is definitely a two-way relationship. The Fazioli is teaching me new ways of creating music at the piano. It does exactly what you ask, nothing more, nothing less, which

requires a more precise kind of playing and thinking. It's almost like starting over, even with pieces I've played for most of my life. The sound is beautiful, clear, and warm. I feel like I have only begun to realize its full capabilities, and I look forward to a long, happy relationship with this amazing instrument. I consider it to be one of the finest instruments I have played anywhere, and I feel extremely fortunate to be able to spend time with it regularly, both as a player and listener.

Concert Tuning - concert pianist **Alessio Bax**

Thank you so much for the wonderful job you did to my piano – it is better than a new instrument!

Dr. Camacho – **Dean MSU**

The piano sounds wonderful! The touch also feels much better. I love it!!

Hammer reshaping and voicing, deep cleaning, and tuning – Past President **FMTA**

The Steinway 'D' is truly magnificent! The regulated action is lighter and the voicing and hammer shaping he did have expanded the coloristic range of which the piano is capable. Alex has taken it to a level better than when we first chose it.

Regulation, hammer reshaping, voicing, deep cleaning, tuning to primary Steinway D grand - **Distinguished Chair of Piano MSU**

...The pianos sound great...we all thank you!...
