President's Message

Hello DMTA Members!

*2020 is definitely off to a roaring start!
Despite the difficulties the pandemic has
brought us in our teaching studios, we are
reminded time and time again, that music is
so important in our daily lives and in our
well being. We music teachers have such
an important job: the job of continuing to
spread the love of music!*

*Staying connected to your fellow teachers
this year is more important than ever! We
are planning to bring the same high-quality*

*meetings, festivals, competitions this year,
even though they may look different in
appearance. Please remember to stay up
to date, as changes are inevitable, via
email and our Facebook group page.
Reach out to board members when you
have a question or concern. If this
pandemic has taught us anything, it is the
importance of community;
we need and rely on each other! Stay safe
and stay well!
Stathia Orwig, NCTM*

Our mission is to connect music students with experts around the world who will personally critique their performances and compositions to help them become the musicians they're destined to be. We took the idea of a masterclass and put it online. We currently have teachers from the Juilliard School, Berklee College of Music, Manhattan School of Music, Mannes College of Music, New England Conservatory, and many others, and we're constantly growing and getting more teachers! This would be a valuable resource for your studio, allowing you and your students to easily connect and network with other teachers globally, get additional feedback on their music, and much more.

Radda's mission isn't solely focused on helping the student excel, though. We're also passionate about helping teachers and professionals propel their careers to higher level.

As I mentioned above, we're continually growing so we're always looking for more teachers to join Radda, and I'd like to invite you to check it out. You will be able to create a profile at no cost, charge as much as you like for your critiques, and decide how many critiques you would like to complete each week. Our platform will provide you with immense flexibility in completing the critiques as I'm sure you have a busy schedule. Finally, you can earn additional cash for every completed transaction by a someone you refer to Radda. Here's the link to our website: <https://www.raddaconnect.com>

I'd love to tell you more about Radda, how everything works, and the referral program so I look forward to hearing from you.

Sincerely, Michelle
